Rolling Stones - I just want to make love to you

don't want you be no slave  
I don't want you work all day  
I don't want 'cause I'm sad and blue  
I just want to make love to you, baby  
Love to you, baby  
Love to you, baby  
Love to you  
I don't want you cook my bread  
I don't want you make my bed  
I don't want your money too  
I just want to make love to you, baby  
Love to you, baby  
Love to you, baby  
Love to you  
Well I can tell by the way that you twitch and walk  
See by the way that you baby talk  
Know by the way that you treat your man  
I can love you, baby, till the night train  
I don't want you wash my clothes  
I don't want you leave the home  
I don't want 'cause I'm sad and blue  
I just want to make love to you, baby  
Love to you, baby  
Love to you, baby  
Love to you  
Yeah  
I don't want you wash my clothes  
I don't want you leave the home  
I don't want 'cause I'm sad and blue  
I just want to make love to you, baby  
Love to you, baby  
Love to you, baby  
Sweet love to you, baby  
Love to you, baby  
I just wanna make love to you, baby  
Love to you, baby  
Love to you, baby  
Love to you  
I just, I just want ot make love to you, baby

I just want to make love
