Rolling Stones - I Need You Baby (Mona)

I say hey, Mona
Oh, Mona
I say yeah, yeah, yeah, yeah, Mona
Oh, Mona
I tell you Mona what I wanna do
I'll build a house next door to you
Can I see you sometimes?
We can blow kisses through the blinds
Yeah can I out come out on the front
And listen to my heart go bumpety bump
I need you baby that's no lie
Without your love I'd surely die
I say hey, Mona
Oh, Mona
I say yeah, yeah, yeah, yeah, Mona
Oh, Mona
I say hey, hey Mona
Oh, Mona
I say yeah, yeah, yeah, yeah, Mona
Oh, Mona
I tell you Mona what I wanna do
I'm gonna build a house next door to you
Can I see you sometime?
We can blow kisses through the blinds
Yeah can I out come out on the front
And listen to my heart go bumpety bump
I need you baby that's no lie
Without your love I'd surely die
I say hey, hey Mona
Oh, Mona
I say yeah, yeah, yeah, yeah, Mona
Oh, Mona
