Well, baby use to stay out all night long  
She made me cry, she done me wrong  
She hurt my eyes open, that's no lie  
Tables turning, now her turn to cry

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now

Well, she used to run around with ev'ry man in town  
Spent all my money playing a highclass game  
She put me out, it was a pity how I cried  
The tables turning now, her turn to cry

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now

Well, I used to wake 'the morning, get my breakfast in  
bed  
When I gotten worried she could ease my aching head  
But now she's here and there with every man in town  
Still trying to take me for that same old clown

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now
