"Let It Loose"

Who's that woman on your arm
all dressed up to do you harm?
And I'm hip to what she'll do,
give her just about a month or two

Bit off more than I can chew
and I knew what it was leading to,
Some things, well, I can't refuse,
One of them, one of them the bedroom blues

She delivers right on time,
I can't resist a corny line,
But take the shine right off you shoes,
Carryin', carryin' the bedroom blues

Oo... In the bar you're getting drunk,
I ain't in love, I ain't in luck
Hide the switch and shut the light,
let it all come down tonight

Maybe your friends think I'm just a stranger,
Some face you'll never see no more.
Let it all come down tonight
Keep those tears hid out of sight,
let it loose, let it all come down
