Rolling Stones - Little By Little

Tried to trail you last night, baby, trail you in my car  
But I was afraid of what I was looking for  
And little by little I'm losin' my love for you  
Yeah, little by little I've found out you was untrue  
Alright, Keith, come on, now  
Well I try not to bear a grudge, a girl's gonna hitch a  
ride  
Things ain't been the same since my mother died  
Yeah, little by little, I'm losin' my love for you  
Yeah, little by little I've found out you was untrue
