(Jagger/Richards)
Mmmmm, yeah, yeah yeah.
You better get some sleep tonight.
You better get some sleep tonight.
Honey, just warn your friends.
[Sleep]
You better get some sleep tonight.
They say you watch the sun go down.
The same old shadows crawl over town.
Those thoughts of you, it shivers me.
The moon grows cold in memory.
Baby, yeah, you better get some sleep tonight.
All you gotta do is close your eyes.
[Sleep] Mmmm.
You better get some sleep tonight.
I wish you baby, all the best,
if you turn out like all the rest.
This darkness baby, it's chilling me.
The stars stare down in sympathy.
Baby, yeah, you better get some sleep tonight.
All you gotta do is close your eyes.
[Sleep] Mm, yeah.
[Sleep]
[Sleep]
You better get some sleep tonight.
Yeah baby, you better get some sleep tonight.
Warn all your friends.
You better get up out of sight, [baby] yeah.
You better get some sleep tonight.
Bet they robbed you of your dignity.
They even steel your heart from me.
It ain't revenge, you understand.
Babe, I just wanna know who dealt this hand.
Baby yeah.
Ha, it's alright, baby.
Get it up, get it up.
[Sleep]
All you gotta do is close your eyes.
[Sleep]
You better get some sleep tonight.
Yeah, you better, [sleep] hm,

you better get 'em [sleep] out off sight, babe.
[Lalalala, lalalala, lala la la la]
Mmm. [Sleep] Yeah.
[Lalalala lalalala lala la la la]
Baby, in your dreams.
[Lalalala, lalalala, lala la la la]
[Lalalala, lalalala, lala la la la]
[Sleep]
[Lalalala, lalalala, lala la la la]
[Sleep]
[Lalalala, lalalala, lala la la la]
You better get some sleep tonight [Sleep].
Honey, warn all your friends.
[Sleep] Ah, all your friends.
[Sleep] Hey!
[Sleep] all your friends.
[Sleep] Hey!
[Sleep]
