You're awful bright, you're awful smart
I must admit you broke my heart
The awful truth, It's really sad
I must admit I was awful bad

While lovers laugh and music plays
I stumble by and i hide my pain
The lamps are lit, the moon is gone
I think I crossed the Rubicon

I walk the streets of love and they're full of tears
And I walk the streets of love and they are full of fears

While music pumps from passing cars
A couple watch me from a bar
A band just played the wedding march
And the corner store
Mends broken hearts
And a woman asks me for a dance
Oh, it's free of charge
Just one more chance

I walk the streets of love
And they're full of tears
And I walk the streets of love for a 1000 years
Tell me now well I walk the streets of love, yeah
And tgey're drenched with tears

You had the moves
You had the cards
I must admit you were awful smart
The awful truth, it's awful sad
I must admit, I was awful bad

And I walk the streets of love
And they're drenched with tears
I walk the streets of love for a 1000 years
And I walk the streets of love
And they're drenched with tears
