Rolling Stones - Thru and thru

You know that we do take away
We deliver too
Open 24 hours babe
Just waiting on a call from you
Waiting on a call from you
Well I'm in the yellow pages
You just take a look
Look me up under services
You know it's just an open book
Babe it's just an open book
It's just an open book
Well baby
Any minute, any hour
I'm waiting on a call from you
And you know this heart is constant
I'm your lover, baby
Thru and thru
Lover, baby, thru and thru
I only found out yesterday
I heard it on the news
What I heard really pissed me off
Cause now I got those fucking blues
I got those awesome blues
Babe I got those nothing blues
Any minute, any hour
I'm waiting on a call from you
And you know this heart is constant
I'm your lover, baby
Thru and thru
Lover, baby, thru and thru
You know that we do take-away
That we deliver, too
We're open 24 hours, baby
We're waiting on a call from you
But any minute, baby, any hour
I'm waiting on a call from you
You know that this heart is constant
I'm your lover, baby
Thru and thru

Lover, baby, thru and thru
Lover, baby, thru and thru
Lover, baby, thru and thru
