Hey, babe, what's in your eyes?
I saw them flashing like airplane lights
You fill my cup, babe, that's for sure
I must come back for a little more

You got my heart, you got my soul
You got the silver, you got the gold
You got the diamonds from the mines
Well, that's alright, it'll buy some time

Tell me, honey, what will I do?
When I'm hungry and thirsty too.
Feeling foolish and that's for sure
Just waiting here at your kitchen door

Hey babe, what's in your eyes?
Is that the diamonds from the mines?
What's that laughing in your smile?
I don't care, no, I don't care

Hey babe, you got my soul
You got the silver, you got the gold
A flash of love has made me blind
I don't care, no, that's no big surprise
