ahhhhahaha ahahahahahaha

keep thinkin 'bout his angel eyes keep thinkin

last night I was taking a walk around the river
and I saw him together with a young girl
and the look that he gave her made me shiver
"cause he always use to look at me that way
and I thought maybe I should walk right up to her and
say
ahhahaha
its ok he likes to play

look into his angel eyes
one look and your hypnotized
he'll take your heart
and you must pay the price
look into his angel eyes
you'll think your in paradise
and one day you'll find out he wears a disguise
dont look to deep into those angel eyes oh nononono
ahahaha ahahahahahahaha ahahaa ahahahahaha
keep thinkin bout his angel eyes keep thinkin

some times when im lonely
i sit and think about him
and it hurts to remeber all the good times
when i thought i could never live with out him
and i wonder does it have to be the same
everytime
when i see him
will it bring back all the pain?
ahahaha
how can i forget that name?

look into his angel eyes
one look and your hypnotized
he'll take your heart
and you must pay the price
look into his angel eyes
you'll think your in paradise
and one day you'll find out he wears a disguise

dont look to deep into those angel eyes
angel eyes
angel eyes
he look my heart and now i pay the price

look into his angel eyes
you'll think your in paradise
and one day you'll find out he wears a disguise
dont look to deep into those angel eyes oh nononono

ahahahaha

keep thnkin
keep thinkin had to pay the price
