Half past twelve  
And I'm watching the late show in my flat all alone  
How I hate to spend the evening on my own  
Autumn winds  
Blowing outside my window as I look around the room  
And it makes me so depressed to see the gloom  
There's not a soul out there  
No one to hear my prayer

Gimme gimme gimme a man after midnight  
Won't somebody help me chase the shadows away  
Gimme gimme gimme a man after midnight  
Take me through the darkness to the break of the day

Movie stars  
Find the end of the rainbow, with a fortune to win  
It's so different from the world I'm living in  
Tired of T.V.  
I open the window and I gaze into the night  
But there's nothing there to see, no one in sight  
There's not a soul out there  
No one to hear my prayer  
Gimme gimme gimme a man after midnight  
Won't somebody help me chase the shadows away  
Gimme gimme gimme a man after midnight  
Take me through the darkness to the break of the day

Gimme gimme gimme a man after midnight...  
Gimme gimme gimme a man after midnight...

There's not a soul out there  
No one to hear my prayer

Gimme gimme gimme a man after midnight  
Won't somebody help me chase the shadows away  
Gimme gimme gimme a man after midnight  
Take me through the darkness to the break of the day  
Gimme gimme gimme a man after midnight  
Gimme gimme gimme a man after midnight
