Ohhh... I'm so sorry we could have worked it out. but  
you just had to  
walk out that door. I hoped we could have fixed it so  
this is all I have  
left to say to you is that I'm sorry.....  
I'm sorry baby(for losing you) This once the last chance  
we had  
and you didn't hear a thing I ever said and now all I  
have to say is  
that I'm sorry( for losing you).  
Ohhhh.... This is it your just gonna walk out(I have no  
choice). well to this  
day all I have to say is I'm So Sorry..... We had our  
chance but we lost it.  
ohhh and this all I have left to say is sorry yeah.....  
Repeat chours(x2)

Yeahhh this is it I'm sorry for losing you.....
