Take the worst of this quirky world
Roll it up in a ball
Add the hair of a go-go girl
Turn it into a dance that's called

The bloody brain tap shuffle
Lose your mind
You'll see the oceans part
You'll think you're goin' blind

You can sit there and suck your thumb
Hear the rock and roll hum
But you're just a crazy wall flower
Till you join all your friends on the floor

And do the brain tap shuffle
Lose your mind
You'll see the oceans part
You'll think you're goin' blind

You can talk about your daily grind
While she'll dish out that old soft shoe
If makin' money doesn't soothe your mind
We've got something here, here for you

You can talk about your daily grind
While she'll dish out that old soft shoe
If makin' money doesn't soothe your mind
We've got something here, here for you

Take your clothes off and start to shake
Shake rattle and roll
Watch the walls and the ceiling quake
Let it move your body and soul

And do the brain tap shuffle
Lose your mind
You'll see the oceans part
You'll think you're goin' blind

Do the brain tap shuffle
Lose your mind

You'll see the oceans part
You'll think you're goin' blind

Do the brain tap shuffle
Lose your mind
You'll see the oceans part
You'll think you're goin' blind

Do the brain tap shuffle
Lose your mind
You'll see the oceans part
You'll think you're goin' blind
