Uh, yeah

Yo back

It's a new day

And a new era

Romeo must die, yo

I ain't talkin' just about one

I'm talkin' about all the romeos

You know why?

1 - I can see it in her eyes

She about get Broadway live, f'in with me

I can see it in her eyes

She wanna get Broadway live, f'in with me

I can see it in her eyes

Her lets in the sky, she about to get Broadway live

I can see it in her eyes

She about get Broadway live, f'in with me

Take a look in my eyes

And you can see a story (story)

Tales of back in the hood

Yo I could be nasty (nasty)

He got to be penalized

I got to steal his glory (glory)

A pretty little thing like you

Should never ever be lonely (lonely)

2 - Girl do you understand?

Do you got something for me?

Tonight I'll be your man

You're too hot to be lonely

And I hit you like a drug

I bet I'll leave you woozy

Keep me away from your friends

They'll probably try to do me, do me

I sip on my Yack, I kiss on your back

I have you like ooh, ooh don't stop that

I lick on my lips, the sweat on my face

I turned up the heat in the place, yeah

You're pulling your hair I'm taking you there

I want you to lean over your chair

When we meet again we won't let it end

So shorty let me know when

Repeat 2 (2x)

I said yo do you understand?

I'll leave you woozy, woozy

Yes I will

And you can be the star of my movie

I'll make you feel like a kid in a candy store

Repeat 1

Repeat 2 (2x)

Girl do you understand?

Do you understand baby?

Are you listening?

I got you tonight baby

Ooh wee lady, ooh wee baby

Do you want it?

Ooh woozy, woozy
