I remember how it was before I met my baby
I was sometimes lonely and sometimes crazy
I had a lot of girls to help me pass the time but
When she arrived I left it all behind

It's fine
It's fine
And she loves me so much I'm with her all of the time

It's fine I found a girl
Finally found a girl
Finally find a girlfriend, yeah yeah

And she made me understand what love can really
mean
And now my nights are spent with more than dreams
I'm here to tell you now she loves me to the letter
And I must admit that I never felt better

It's fine
Yeah it's fine
And she loves me so much I'm with her all of the time

It's fine I found a girl
Finally found a girl
Finally find a girlfriend
Ooh yeah

Ooh Ooh Ooh
Ooh Ooh Ooh

It's fine
Yeah it's fine
And she loves me so much I'm with her all of the time

It's fine I found a girl
Finally found a girl
Finally find a girlfriend

Yeah it's fine I found a girl
Finally found a girl

Finally find a girlfriend

Yeah

It's fine I found a girl (hey)

Finally found a girl

Finally find a girlfriend (yeah)

Ooh Ooh Ooh

Ooh Ooh Ooh
