My baby's gone up the country

Lord, an she won't come down

My baby's gone up the country

Lord, an she won't come down

An she keep me crying

An walkin' from town to town

I was sitting down looking

On a high, high lonesome hill

I was sitting down looking

On a high, high lonesome hill

An I wonder does my baby

Does she love me still?

Love is a hid'en mystery

That you really can't understand

Love is a hid'en mystery

That you really can't understand

And it really comes hard

On a poor broken-hearted man

So, I was sitting down-hearted

People, on this lonesome song

I was sitting down-hearted

People, on this lonesome song

An I wonder why my baby want to treat me wrong?

You know I love you, baby

That is why we couldn't get along

You know I love you, baby

That is why we couldn't get along

An someday you're gonna be sorry

That you ever done me wrong.
