My baby's gone

And she won't come back no mo'

My baby's gone

And she won't come back no mo'

Well, she left me this mo'nin'

And she caught that M&O

Listen here, people

I've done ev'rything that I could

Listen here, people

I've done ev'rything that I could

Listen here, people

I've done ev'rything that I could

But she's gone an left me

She didn't mean me no good

There is one thing, babe

I just can't understand, myself

There is one thing, babe

I just can't understand myself

When that gal I love quit me

I don't want nobody else

But that's alright, babe

I can't stand the way you do

But that's alright, babe

I can't stand the way you do

You are running me crazy

And it's goin' to worry you

When she left she bought a ticket

Just as long as she was tall

When she left she bought a ticket

Just as long as she was tall

She didn't know how much I loved her
Or else she wouldn't have left at all.
