My baby have came back

An' she ain't gon' leave me no mo'

My baby have came back

An' she ain't gon' leave me no mo'

The last time she left me

She rode that M&O

When my baby left me

I did not want nobody else

When my baby left me

I did not want nobody else

But that's alright, people

I brought it all on myself

But that's alright, babe

I just ain't gon' stand the way you do

But that's alright, babe

I just ain't gon' stand the way you do

First thing you know

I'm gonna make away with you

Now don't you feel good

When your babe have came back home?

Now don't you feel good

When your babe have came back home?

If she'd a stayed any longer

People, I know I could not last long.
