Now when I was a down child

I wouldn't take no one's advise

When I was a down child

I wouldn't take no one's advise

But I ain't gon' let no

Woman treat me twice

Baby, so many nights

I've came in an found you gone

Mmm, so many nights

I came in and found you gone

And I couldn't no nothin'

But stand and cry and moan

I love you, baby

But I don't like the way you do

Mmm, I love you

But I don't like the way you do

You are a good little girl

But you just won't be true

Just as sure, baby

As one and one is two

Just as sure, babe

As one and one is two

Someday I'll have money, babe

And be up to delight you

Whenever she smiles

And say she don't love anyone but you

Whenever she smiles

Say she don't love nobody but you

That's alright, buddy

She's probably shuck on you.
