I been pleadin' to my baby

'Don't leave me all alone'

I been pleadin' to my baby

'Don't leave me all alone'

Because I will miss her

Ev'ryday that she'll be gone

People, I was sitting down, wondering

What can a po' man do?

People, I was sitting down, wondering

What can a po' man do?

When the one you love

Said that she is leavin' you

My baby told me, 'Bye-bye'

As she was leaving outta my do'

My baby told me, 'Bye-bye'

As she was leaving outta my do'

She say, 'You'll never see my smilin' face, no mo'

So I begged you, baby

Did ev'rything that I could do

So I have begged you, baby

Did ev'rything that I could do

An if you just want to leave me

I'm gonna leave it up to you

It was love, it was love

That have almost broke my heart

It was love, it was love

That have almost broke my heart

But you know sometimes

The best of friends must part.
