The girl I love
Just as sweet as she can be
The girl I love
Just as sweet as she can be
An ev'rytime I kiss her
Cold chills runs all over me

Ev'rytime I kiss her
It thrills me through and through
Ev'rytime I kiss her
It thrills me through and through
An it makes me wonder
Baby, what kind of a girl is you?
Listen here, little girl
My love for you is strong
Listen here, little girl
My love for you is strong
An if you love me
You won't do nothin' wrong

So, there ain't no need to worry
'Bout me, babe, when I'm out of town
So, there ain't no need to worry
'Bout me, babe, when I'm out of town
Because my love is for you
An it can't be turned around

I was just sittin' down, thinkin'
Babe, just a minute ago
I was just sittin' down thinkin'
Babe, just a minute ago
What in the world made me love you so?
