Oooooo

(Ay get your hands up it's about to get crazy)

Ether boy

I'm jumping out the window with this one

Jumping out the window with this one [x2]

[Verse 1:]

Windooooooooow [x2]

Ayo ya ain't gonna worry

Harlem world man I got this

Hit the studio hit nothing

But the hotness

Hit the club up and your girl

Is on my list

Got the goons with me so ya don't wanna try this

V.I.P. and everybody ballin

Having fun and nobody is brawling

Shawty come here I ain't know

Why you stallin'

We gonna patry 'til it's

THE MORNING [x3]

O0o0o0o

I'm jumping out the window with this one

Jumping out the window with this one [x3]

Windooow

[Chorus]

[Verse 2:]

All my preety ladies cum on don't diss my vibe

(he tried)

But I get so many women everytime

I can kiss and relax you

Lie and adore you come on slide over my way

I be ridin downtown with my droptop up windows down

Remix I drive I pop track 5
