[Verse 1]

What a gift to be given
Your Holy Spirit
And oh I how I need it, I need it yeah

So let pour in spirit,
Keep asking for it
Cause we need Him, we need Him yeah

[Chorus]

Keep on pouring 'til I overflow (yeah I need it, I need it)
Let your oil flow from head to toe (cause I need it, I
need it)
And baptize my life with the fragrance of Your love,
Jesus
And align my mind to the rhythms of Your heart, Father

[Verse 2]

Taste the bread of life
Savor every drop of wine
Cause we need it, we need it yeah

So let pour in spirit,
Keep asking for it
Cause we need Him, we need Him yeah

[Bridge]

No more veils of separation
I've become Your habitation
