[Verse 1]

When I said I would never leave
It was the wine talking for me
Wish I could hold up my end of the deal
But in the moment it was truth and it's still how I feel

[Chorus]

I'm alive
In Your eyes
Can't love You like I want
Without Your wine

[Verse 2]

I'm not too young to make up my mind
The trouble is keeping it for any length of time
But you always hold up Your end of the deal
Broken bread and wine, our meal, Your vow, my seal

[Chorus]

I'm alive
In Your eyes
Can't love You like I want
Without Your wine

[Bridge]

Oh how I need You

[Tag]

Pour out Your wine
