Don't walk away
By Ron Stewart

I'll light you cigarettes
I'll pull out your chair
If you ever need anything baby
You know I'll be there

I'll shower you in perfumes
Jewelry by Cartier
I'll do anything you want
Just to have you stay

I'll treat you like a princess
Twenty-four hours a day
I said I'd do anything you want
So baby please don't walk out that door

You know a love like ours
is oh so hard to find
So think it over baby
we got to give it more time

It breaks my heart
to think our love was in vain
One day the sun is shining
Now I'm standing out in the rain

So open up your heart
try to love once more
At least think about it baby
Before you walk out that door

I must of been blind
I was a fool to let us drift apart
But now I pay the price baby
The price of a broken heart

Have mercy baby, Can't you see
Without you love, I'm in misery..
