(Verse 1)

There was a time, not too far gone
When I was changed by just a song
On the radio and in the car
The pounding of an electric guitar

Then the time came to make our stand
We started up a four-piece band
And the heat felt like spotlights
In the heart of a hot summer night, yeah

(Chorus)

wooo..ooo..ooo ..oooooo...ooo...ooo...oooh
Hot summer nights

wooo..ooo..ooo ..oooooo...ooo...ooo...oooh
Hot summer nights

(Verse 2)

Return with me to when times were best
We were friends that could pass any test
We shared our hopes, our dreams, our goals
And other fundamental roles
As we sang in the hot, dark rooms
Happy just to play our tunes
It felt good when we got it right
It felt good on a hot summer night, yeah

(Chorus)

wooo..ooo..ooo ..oooooo...ooo...ooo...oooh
Hot summer nights

wooo..ooo..ooo ..oooooo...ooo...ooo...oooh
Hot summer nights, yeah

(Guitar solo)

(Verse 3)

So it lives, and it always will
Those songs we sung are in us still
Ringing out with all their might
In the heart of a hot summer night, yeah

(Chorus)

wooo..ooo..ooo ..oooooo...ooo...ooo...oooh
Hot summer nights , yeah

wooo..ooo..ooo ..oooooo...ooo...ooo...oooh
Hot summer nights, yeah
