Yeah, 500 miles to L.A.
500 miles to my home
When I get back to L.A.
Never again will I roam

Surfin' and drivin'
Are the only two things I know
Surfin' and drivin'
Are the only two things I know

Once had a girl into me
Thought she loved me true
Last night, I got a note she left me
Took my money, now we're through

Surfin' and drivin'
Are the only two things I know
Surfin' and drivin'
Are the only two things I know
I know

500 miles to L.A.
500 miles to my home
When I get back to L.A.
Never again will I roam

Surfin' and drivin'
Are the only two things I know
Surfin' and drivin'
Are the only two things I know

I once tried love
But like everything I do
It turned out wrong
