

## Walter Egan "Yes I Guess I Am"

Visit "[Yes I Guess I Am](#)" on [MotoLyrics.com](#)

(Ooh)  
Learning to love you  
(Ooh)  
Well, yes, I guess I am

(Ooh)  
Won't you come over?  
(Ooh)  
I wanna love you again

(Ooh)  
I'm learning to love you  
(Ooh)  
Well, yes, I guess I am

(Ooh)  
Won't you come over?  
(Ooh)

Ever since that night  
When I first held you  
Every step you take  
Just brings me closer

And I think I might  
Just follow it through  
Love's a piece of cake  
Honey, when it's me and you

(Ooh)  
I'm learning to love you  
(Ooh)  
Well, yes, I guess I am

(Ooh)  
Won't you come over?  
(Ooh)  
I wanna love you again, yeah

Once I hurt so bad  
Before I met you  
And it's making me shy

From giving my heart

But the love you have  
So strong and so true  
Just makes it worth a try  
Honey, when it's me and you

Learning to love you  
(Ooh)  
Well, yes, I guess I am

(Ooh)  
Won't you come over?  
(Ooh)  
I wanna love you again

(Ooh)  
I'm learning to love you  
(Ooh)  
Well, yes, I guess I am

(Ooh)  
Won't you come over?  
(Ooh)  
I wanna love you again, yeah

Learning to love you  
Yes, I guess I am  
Learning to love you  
Yes, I guess I am

I'm learning to love you  
Yes, I guess I am  
I'm learning to love you  
Yes, I guess I am

Oh, learning to love you  
Yes, I guess I am  
Learning to love you  
Yes, I guess I am  
Learning to love you
