in the nighttime  
when the world is at it's rest  
you will find me  
in the place I know the best  
dancin', shoutin'  
flyin' to the moon  
(you) don't have to worry  
'cause I'll be come back soon

and we build up castles  
in the sky and in the sand  
design our own world  
ain't nobody understand  
I found myself alive  
in the palm of your hand  
as long as we are flyin'  
this world ain't got no end

in the daytime  
you will find me by your side  
tryin' to do best  
an tryin' to make things right  
when it all turns wrong  
there no fault but mine  
but it won't hit hard  
'cause you let me shine

and we build up castles  
in the sky and in the sand  
design our own world  
ain't nobody understand  
I found myself alive  
in the palm of your hand  
as long as we are flyin'  
this world ain't got no end

and we build up castles  
in the sky and in the sand  
design our own world  
ain't nobody understand  
I found myself alive

in the palm of your hand  
as long as we are flyin'  
this world ain't got no end

and we build up castles  
in the sky and in the sand  
design our own world  
ain't nobody understand  
I found myself alive  
in the palm of your hand  
as long as we are flyin'  
this world ain't got no end
