You may get weary,
And feel like your change may never come,
But don't be disheartened,
For in patience, possess ye your soul,
So wait on the Lord, my friend,
And be of good courage.
If you wait, God will renew your strength.
Wait on the Lord and be of good courage.

(Choir sings)

Wait on the Lord and be of good courage.
Wait on the Lord and be of good courage.

If you wait -
On the Lord, my friend
Be of good courage.
If you wait, God will renew your strength.

Wait on the Lord and be of good courage,
Wait on the Lord and be of good courage,
Wait on the Lord and be of good courage,

My
Friend
