What you want . . . What you want . . .

I got to have you

baby

I want you by my side

Just climb a boat and take me for a ride.

I need to have your body

your love I really need

It's got to be you are that kisses me.

Desire - ooh

I want you by my side

Desire - to be my ever lovin' guy.

Come a little closer

baby

don't be shy

I can tell by the look in your hungry eyes.

You make me feel a woman

I make you feel a man

To make me want much longer

boy

I just can't stand.

Desire - ooh

I want you by my side

. . .

Desire - ooh baby

can't you see -

Desire - I want these chains get off me.

I got to have you

baby

I want you by my side

. . .

I need to have your body

your love I really need

. . .

Ooh

I want you by my side to be my ever lovin' guy.

Ooh baby

can't you see I want these chains get off me.

Desire

desire

desire

desire

. . .
