(Cold cold heart)
I tried so hard my dear to show that you're my every
dream
Yet you're afraid each thing I do is just some evil
scheme
A mem'ry from your lonely past keeps us so far apart
Why can't I free your debtful mind and melt your cold
cold heart
Another love before my time made your heart sad and
blue
And so my heart is paying now for things I didn't do
In anger unkind words are said that make the
teardrops start
How can't I free your debtful mind and melt your cold
cold heart
(Cold cold heart)
There was a time when I believed that you belonged to
me
But now I know your heart is shackled to a memory
The more I learn to care for you the more we drift apart
Why can't I free your debtful mind and melt your cold
cold heart
(Cold cold heart)
