DON'A WAN'A

(Boudleaux Bryant)

Â« Â© '57 Acuff-Rose Music Â»

You say you got a lotta vinegar and spices
In the kisses that you wanna give to me
But mama told'a me that sugar is the nicest
So take your vinegar away and let me be
(Let her be!)

Don'a wan'a any kisses from you
Don'a wan'a your vinegar too
I've already got a sugar baby dolly-hoo
Always can supply me with enough to satisfy me
So go leave'a me alone, ah
You know I don'a wan'a (don'a wan'a)
You say you wan'a me to smoke'a your tabacco
I've'a gotta me a cigarette too
You think I wan'a ride your big'a Cadillac'a
But I will make my little Chevrolet'a do
(Let it do!)

Don'a wan'a any kisses from you
Don'a wan'a ride yur big'a Cadillac'a too
I've already got a sugar baby dolly-hoo
Always can supply me with enough to satisfy me
So go leave'a me alone, ah
You know I don'a wan'a (don'a wan'a)
You know I don'a wan'a (don'a wan'a)
You got'a line'a like you wan'a go a'fishin'
You got a story like a bucket full of bait
You might as well'a stop a' hang around a'wishin'
The season's over and a'fishin's out of date
Don'a wan'a any kisses from you
Don'a wan'a go fishin' too
I've already got a sugar baby dolly-hoo
Always can supply me with enough to satisfy me
So go leave'a me alone, ah
You know I don'a wan'a
Don'a wan'a any kisses from you
Don'a wan'a any kisses from you
