Never know how much I love you never know how much  
I care  
When you put your arms around me I get a fever that's  
so hard to bear  
You give me fever when you kiss me fever when you  
hold me tight  
Fever in the morning fever all through the night  
Sun lights up the daytime moon lights up the night  
I light up when you call my name and you know I'm  
gonna treat you right  
You give me fever when you kiss me fever when you  
hold me tight  
Fever in the morning fever all through the night  
Everybody's got the fever that is somethin' you all know  
Fever isn't such a new thing fever started long ago  
[ organ ]  
Captain Smith and Pocahontas had a very mad affair  
When her daddy tried to kill him she said daddy oh  
don't you dare  
He gives me fever with his kisses fever when he holds  
me tight  
Fever I'm his Mrs daddy won't you treat him right  
Now you listened to my story here's the point that I  
have made  
Chicks were born to give you fever bring it fahrenheit  
or seantigrade  
We give you fever when you kiss 'em fever when you  
live and learn  
Fever till you sizzle what a lovely way to burn  
What a lovely way to burn what a lovely way to burn
