I MISUNDERSTOOD

(Wanda Jackson - Wendell Goodman)

Â« Â© '62 Combine Music Â»

I misunderstood right from the start
While you gave just kisses I gave you all the love in my
heart
I misunderstood how foolish I was
To think you would love me you never could but I
misunderstood
I misunderstood your intentions for they seemed right
to me
You showered me with attention and lies I wanted to
believe
I misunderstood so darling you should
Love me or leave me I love you though I misunderstood
Love me or leave me I love you though I misunderstood
Love me or leave me I love you though I misunderstood
