I can still feel your teeth marks in my neck
Your footprints on my back
And the gris gris you sprinkled in my bed
Is starting to make me crack

I can still feel your twang ringin' in my ears
Your perfume I still smell
You bought it way below the Mason-Dixon Line
Like your mother, you're a southern belle

Chorus:
I said release me
But please don't let me know
Release me
But please don't let me go

All my blood's still boiling
Like a snake you come coiling
Ready to strike

All my blood's still boiling
Like a snake you come coiling

When the night comes down I get a big black fear
Like the clouds hanging up above
I don't want you to possess me but that's how it is
I ain't nothin' but your slave of love

Chorus
