In the beginning
We were much too brave
We had you love and we were saved

We've come so far
And that's not how we are no more
Tell me why things have got to change

We held our love in our hands
Why we tore it apart
I just don't understand

Chorus:
There's a distance between us
Now you feel so far away
Oh the distance between us
How did we ever get this way
Oh baby don't slip away

Now it's raining
And I'm driving much too fast
How can a city be so dark

There's this sensation
Feeding on itself
I've got to get to where you are

We held love in our hands
Why we tore it apart
I just don't understand

Chorus

I want to reach out
And pull you close to me
Wanna make you remember
Just how good it used to be

Chorus
