Beauty

Chorus:

Beauty is making things come true  
Full of life, it's you, simply  
Beauty creates a smile on your face  
Beauty is something full of grace

Verse:

I am working so hard  
To make my happiness shine  
A lot is goin' on here  
everythings fine, truly

Verse:

I would like to live my life like you  
You are adored by everyone  
You stand up for what you believe  
Selfish to none, groovy

Bridge:

Hold on, hold on to something  
Let's hold on, hold on to something
