Dabbly Doo

Chorus:

Dabbly Doo, Dabbly Doo

Do they know your out of the zoo?

Dabbly Doo, Dabbly Doo

Did you know they're looking for you?

Verse:

Once upon a time a little mime

Made the sign of bouncing a ball near the mall

Later he sat there confused, quite unamused

Thinking of his past, acting task

Verse:

Along came two, Jabby and Dabbly Doo

And there all three of them sat on a groovy mat

So what do you have to say for yourself today?

Is it true, can you sing?
