Dead

Chorus:

Dead never knew my name  
I never stood in his way  
Dead never gave me the chance to live my life

Verse:

I can't see tomorrow or bring back yesterday  
My body was burning  
I never had a chance to pray

Verse:

Frozened with frost, cool as snow  
My soul is lost

Bridge:

Don't save me  
I'm dead  
Don't pray  
I'm dead

Verse:

No blood is running  
My heart has stopped  
Incapable of breathing  
My body has forgot

Verse:

The taste of my skin has ruined and rot  
No flavor remains, not even a drop
