Dear Judge,

MotoLyrics

I've been rich and poor Poor is better I've been owned and disowned Disowned is better I've been heavy and light Heavy is better

I've been drunk and sober Drunk is better (helps you forget) I've been stripped and clothed Stripped is better I've been in love and not in love Not in love is better

I've laughed and cried Laughing is better I've been blessed and condemned Blessed is better I've been free and contained Free is better

I've been American and Canadian Neither is better I've been humane and inhumane Humane is better I've been looking for the answer And this is what I found

There's so much to do So don't waste my time

Regards,

Paul
