Denim

Chorus:

Puts out denim (she, he, you, I)

Verse:

She puts out denim

For us all

Shakes this stuff

Drives us up the wall

She'll take your number

Has time for fun

But if you're looking for a relationship

She's not the one

Verse:

She puts out denim

For us all

Some may choose

None at all

Time to shoot

For your goal

If it comes back

Someone scored before

Verse:

She puts out denim

For use all

Makes us smile

We're never small

Nothing wrong with what you do

Mom and dad may have a thing to say or two

Verse:

She puts out denim

Just for fun

Wants to live life on and on

Put it on

Speed it up

Keep it movin'

Don't stop
