Orange

Verse:

Orange  
Brings you higher and higher  
Orange  
I desire  
Orange  
Is a bright colour  
Orange  
The flavour dancin' all day

Chorus:

Movin' and groovin'  
Ooh, ooh orange  
Movin' and groovin'  
Crush on you

Verse:

Orange  
Burns like fire  
Orange  
Truly admire  
Orange  
Makes me glad  
Orange  
Is the latest fad

Verse:

Orange  
Flavour which I taste all day  
Orange  
End of the day  
Orange  
Flowers that blossom today  
Orange  
Say hurray
