Paul Manchin

''Problematic!''

Problematic!

Chorus:
Problematic!
I want to be free
Problematic!
Get away from me

Verse:
Don't bring me down
When you don't care a bit
Don't tell me you love me
When you don't mean sh**
I won't take that crap
When I give all the time
I give all the time

Verse:
Don't tell me what you want
Don't tell me what you're going to do
Don't tell me what to say
I don't care anyway
Don't justify my pain
When you make it happen
Don't tell me you care
When you're never there

Bridge:
Fly
Round and round

Verse:
Don't tell me you're real
When you never feel
Don't tell me you need me
This would be a crime
I have my pride
