Rich People Are Cheap!

(Dedicated to cheap rich people)

Verse

I am not paying the dinner bill

When you make one million plus

I'm not listening to you talk about being broke

Chorus

Rich people are cheap!

Rich people are cheap!

And if there was a picture in the dictionary

You would be in there

Verse

Now look at me

Mr. Poor with a P

I work hard at my job all day

And you

A family who pays your way

Bridge

Don't get me wrong

I'm not jealous

I'm sick and tired of your whining

Could you not be so selfish

It would be so nice to see

Maybe listen to me when I talk to you

Verse

Stop putting me down because I have a degree

And no wealth to show for it

I am not an idiot

Spend some money on toothpaste or hygiene products

I can barely breathe around you
