Say?

Verse:

See me for who I am
Take me to the promised land

Chorus:

I've got something to say
My voice is coming back
And it's coming with a rage

Verse:

This very moment
I was contemplating
Would I ever make it
Make my come back
This sound is true
For me and for you
Let's get happy and high

Verse:

There are flowers and sunshine
Lovers and fun times
Feelings of joy and fame
It's my turn to shine
Above the skies
I got style and flow

Bridge:

I can sing and dance
Finer than light
I can show you
