Snob

(Dedicated to pretentious uptight snobs)

Verse

I'm not changing

To impress them

Not another dime

For the clothes I wear

High Society

Well you can f*ck them

High Society

Go there if you want to

Chorus

You're a snob!

You're a shit!

You're a mother f*cker baby!

Verse

Don't care about the boat

Don't care about the coke

The mention of your stuck up tension

I'm sick of the abuse

That you put me through

No more drama

I'm leaving you

Bridge

F*ck You!
