SOAR Lyrics by Paul Manchin and Dario DeCicco

VERSE

Never thought we'd get this far
Never thought we'd be this way
I thought you were the perfect star
Take me to another day
Hey now, tell me, tell me, hey now, tell me

VERSE

Tell me what you want from me
All I have my dignity
And I gave you my world
Hey now, tell me, tell me

CHORUS

Take me to the place
Where dreams are coming home
Don't be afraid to soar
Spread your wings and fly
Don't know until you try
Don't be afraid to soar

VERSE

It seems to me that times gone by
Holdin' on together
The only question that I have
Will we be together
Hey now, tell me, tell me, hey now, tell me, tell me, hey
now, tell me, tell me

BRIDGE

You let me down
Body and soul
We were one
I'm wanting more
