Sunny

Verse:

You're here
I'm happy
Cause I know your sassy babe
You got me so happy when you're here
When you go down to the show
I feel so free
Make me feel I'm wanted
I'm the same with thee

Verse:

Sunny Days when you're here
Sunny Days when you're near
Sunny Days, Sunny Days
My Sunny Days

Verse:

When we go makin' love
Baby it's so fine
We don't need to ask so many questions all the time
Cause we're full of love
Cause we're full of hope
That's all I want
And that's all I need

Bridge:

Everytime so fine
So happy, so free
