Chorus 2X: Musiq]

Comin' to break you off(we gettin' started.....start-started..)

Comin' to break you off(we gettin' started.....start-started..)

Comin' to break you off, happy(we gettin' started.....start-started..)

Coming to break you off

[Verse One: Black Thought]

Bad Misses, Throwin raspberry kisses on me

You looking for direction

Girl I feel your vision on me

Just dont let him see you sweatin

we aint spose to be involved

Knowing when we get it off, Girl I mean it off

Keeping you fiending 'til you taking it tossed

And when I'm breaking it off

Its no denying the fact it's wrong

'Cause you got a man who's probably playing his part

You probably breaking his heart

He trying to figure the reason you're gone, Uh

Is it because he's superficial

Or is he too submissive

Or did I come along and hit you with the futuristic

Or is it 'cause you really couldnt see a future with him

All he bout is paper, never took the time with you to listen

You want it gripped up, flipped, and thrown

And get stripped and shown, the way the getting is on

The cost, dealing with this you only taking a loss

You need to leave him alone

And roll with the one who breaking you off

[Chorus 2X: Musiq]

Off...

Comin' to break you off(we gettin' started.....start-started..)

Comin' to break you off(we gettin' started.....start-started..)

Comin' to break you off, happy(we gettin'
started.....start-started..)

Comin' to break you off

[verse three:black thought]
brother down the hall
the one you bound to call
workaholics who really are rarely around at all
when we started got serious reproussions and cost
we had a chance to turn back but love that was lost
late nights twistin somethin
listenin to niecie sing
she got the beat for you tell me you deeply
appreciate the company and time we spend
i feel the same its a shame you aint may girlfriend
cuz listen
you need a brother with that physical fix
that come through in the mix for you with no head
tricks
and for
you need a new position
and who can get you open
like this eucalyptus have you ready to go for yours
come on work wit me
you wont get hurt wit me
just keep it real and you get broken off certainly
dealin with this you wont be takin a loss
you need to leave him alone
and roll wtih the one whos breakin you off

[Verse three: Black Thought]

Rolling down the highway

Listening to Sade sing

"The way the smooth operator move my way"

You sitting beside me

Looking like Friday

Foster Pam Grier structure look at your body

Keep eac hother thirsty

Kisses like hershey

But lips is sealed

'Cause we dont need the controversy

I say I'm in town, You say you want it in the worst way

You probably told your man it was your it was ya lil's birthday

Meanwhile, Its champagne chilling in ice

You ready for the freakiest stage you done in ya life?

We breakin down like we grove dogs pulling a hike

You making sounds like a vibe; got you reaching your height

Prepare for flight, this is your captain

I'm getting strapped in

Theres no denying the strength

That its attraction girl

Workin with this you won't be taking a loss

So stop fooling your man and roll with the one

Who's breaking you off

(we're gettin' started started)

[Bridge: Musiq]

Baby, Baby, Baby... don't you worry about (a thing)

Nothing 'cause I'm coming too, handle you no doubt..

Whenever you want, that thing you need, I got it

I'm there and I aim to please

I'm coming over to give it to you..

Baby...

[Chorus 2X: Musiq]

Comin' to break you off (we gettin' started.....start-

started..)

Comin' to break you off (we gettin' started.....start-started..)

Comin' to break you off, happy (we gettin' started.....start-started..)

Comin' to break you off

Untill fade
